HAITI - Health Cluster Update - Functioning Health Facilities and Priorities

25 January 2010

OCHA

Twelve days after the earthquake, the main challenges are post-operative care and logistical support to the health facilities in terms of fuel and medical supplies.

135 NGOs, bilateral aid organizations and governments registered with the Health Cluster

43 hospitals functioning

12 field hospitals[1]

Port-au-Prince

Some hospital locations are approximate. Missing coordinates for: Japanese BHC Unit, Hôpital Canadien, Medishare, King, Belge de Léogane, Centre de Santé de Cabaret, de l'Arcahaie, de Grand Goave, de Pernier, Double Harvest, Humanity First and Grace Church Mission.
Submit errors and GPS coordinates to undac.haitieq@gmail.com.
